

## What's New in Window Designer on the Cloud ?

1. You can now log a Support Request via the built in "Support" button. This will be sent directly to customer services at Whiteline and a copy sent to you.

Window Designer Cloud Support

Your feedback is extremely important to us. Use the facility to report any difficulties whether they concern logging on, freezing, performance issues or any general problems. Please feel free to suggest any ideas that may improve the user experience.

Full Name: John Miller

Email Address: a.company@youremail.co.uk

Contact Tel No: 01323 700800

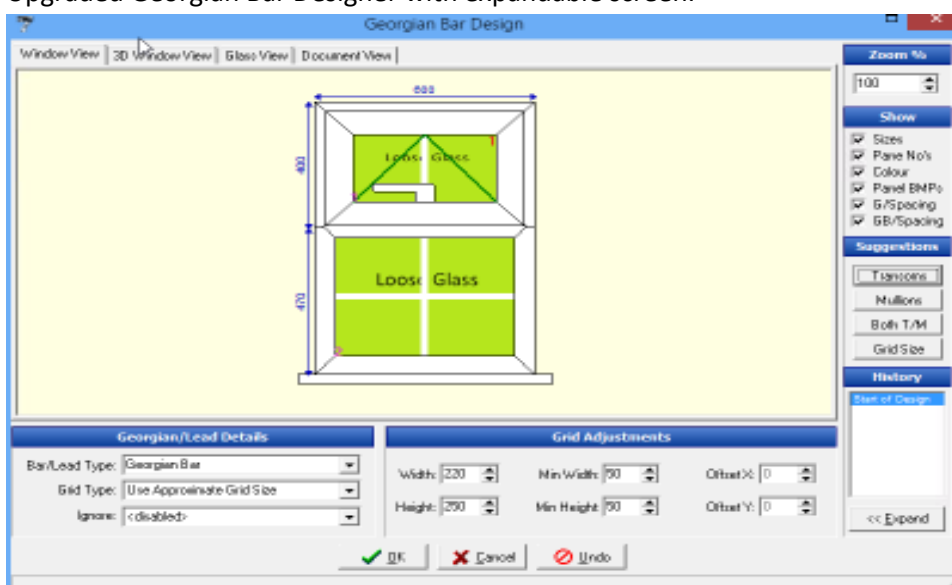

Browser: Google Chrome

Issue: Screen Updates Are Slow

Message To FDS: Screen refresh is slow. This could be our internet appd though.
